

7th WORLD DWARF GAMES 2017

EXPRESSION OF INTEREST FORM

The 7th World Dwarf Games are to be held in 2017 with the country and dates to be announced. Although this is over 2 years away planning is well underway both here and abroad. We need to begin the process of organising training programs, camps, sponsorship and funding proposals etc. As such we need to gauge interest from the members of the SSPA to determine the number of athletes wishing to compete and which events they will compete in. Additionally athletes will need to indicate attendance to the first national training camp – attendance and participation at training camps will be a key component of the selection criteria, which will be outlined at the first camp to be held in Sydney on the 7-9th of August, 2015. Please complete the form below and return to Kobie Donovan via email to kobie.donovan@hotmail.com (National Sports Coordinator). A prompt reply would be much appreciated.
