

Rachael Johnson – QLD

Hi I'm Rachael!

I'm 36. I am a paediatric nurse originally from the UK but now living in Brisbane, and working for the "Hospital in the Home Service" at Queensland Children's Hospital.

I love to travel and have been to several countries around the world. I also love catching up with my family (in UK), my friends and spending time with our Ragdoll cat Marshall!

My skills are saving lives! I like playing table tennis, socialising, and I'm an animal and bingo lover! 😊

I was attracted to the program as a result of my experiences as someone with short stature and the difficulties I faced when I was younger.
