

Samantha Lilly – Vic

Hi I'm Samantha!

I'm 34. I have been an SSPA member since the day I was born.

I live in Melbourne and share my home with my friend Julie who is also an SSPA mentor.

I work in diversity and inclusion and I am currently studying my Masters in Disability and Inclusion.

I enjoy being outside and being with friends. In my spare time (which I don't have much of) I enjoy reading, pottery and cooking. I'm a lover of coffee and chocolate. 😊

I am empathetic and understand and value that everyone has something to offer the world.

By being involved in the mentor program, I will be able to give back to the SSPA and share my lived experience of being a short statured person growing up in Australia.
